March 2, 2013

Our **New Year** holiday is 15 days long. On the first night we have a big dinner. Every day of the holiday we wear red clothes. This is for good luck. We visit friends and bring them presents. We also give small oranges or cakes.

Wang, China

On **Children's Day** we go to school for three hours and we play games. We bring our favorite foods and eat them together. In the afternoon, we watch shows in the park. At the end of the day we get a special gift from our parents.

Carlos, Mexico

On **Grandparents' Day** we want to show our grandparents how much we love them. I give my grandparents a small present. This year, I want to give them flowers. On this day, our grandparents come to school with us. We draw pictures and play games together in class.

Linda, USA

What Do You Know About Elephants?

by Frank Smith

Elephants are very interesting animals. They are one of the biggest animals in the world. They have two big teeth called tusks. The tusks help them dig* for water, carry heavy things, and fight with other animals. Elephants have a long nose called a trunk. Elephants can do many things with their trunks: they smell with them, make noises with them, and use them to take a shower.

Most elephants live in Africa and Asia. They eat a lot, but only plants and leaves. Elephants have a good memory**. When they find water they will remember the place for a very long time.

Elephants have feelings too. They are afraid when they are in danger, sad when other elephants are hurt, and happy when they meet friends and family.

Elephants have big families. They all live together and help each other. When elephants need help they make special sounds. These sounds are special because people cannot hear them.

1

* dig - לחפור

** memory - זיכרון
